

## LINDA'S LEGACY 6TH ANNUAL MEMORIAL GOLF TOURNAMENT TO RAISE MONEY FOR THE LINDA J. VERVILLE CANCER RESEARCH FOUNDATION

Linda Verville fought her battle with several cancers courageously and though she maintained her dignity, positive attitude and sense of humor throughout her seven year fight, she lost her life to pancreatic cancer in June 2005. To honor her memory, we are having our 6th annual golf tournament and auction at Marlboro Country Club on Tuesday, June 21st. Through the generosity of many people like you, our first five events raised over \$275,000 for pancreatic cancer research.

Currently, pancreatic cancer is the fourth leading cause of cancer death and has the highest fatality rate; nevertheless, research support ranks last of all major cancers. Our goal is to change these grim statistics and bring hope to pancreatic cancer patients and their families.

We will continue to support cancer research, and hope to change lives affected by this terrible disease. We are contacting you to ask for a donation of an auction/raffle item or service, a cash donation, or the sponsorship of a golf hole. The Foundation is a tax-exempt organization pursuant to Section 501(c)(3) of the Internal Revenue Code, and contributions are deductible to the extent provided by law.

If you would like to sponsor a hole at the event, please send a \$165 donation. We will place a sign on the tee box with your company name or your personal note. If you would like to make a cash donation or donate an item or service for the raffle or auction, please complete the information below. Thank you for your consideration. We are all in this fight together and your contribution will help our cause. Your reply by May 17th is appreciated.

Many Thanks,  
Linda's Legacy Committee 2011
